

## Needs Volunteers

*Get involved and help homeless families in our community*

**Donate your time, skills and life experience.**

Roseville Home Start is a 12 month transitional housing program successfully guiding homeless families with children along the road to their own sustainable housing and self-sufficiency. We depend upon our dedicated group of volunteers who provide over 80% of our daily needs.

We currently are in need of volunteers to teach weekly life skills classes like parenting, budgeting, career development/resume building, nutrition, exercise, cooking, tutoring children after school, and more. There are other opportunities available throughout the year as well.

**No volunteer experience necessary! Free training January 25, 2012.**

Home Start will provide a free volunteer orientation training, January 25, from 6-7:30pm. If you are motivated and have 1-2 hours a week/month to volunteer, please attend to learn more about how you can share your professional and life experience to change the lives of homeless families in your community. (A background check will be required.)

**Please RSVP to Rhonda at 916-782-6667**

or [rkenny@rosevillehomestart.org](mailto:rkenny@rosevillehomestart.org)

**410 Riverside Avenue, Roseville**

*Everyone has something special to share- donate your unique talents to those who need you and help make a difference!*
